CHICAGO PRODUCE MARKET.

CHICAGO, Feb. 15 .- | Special Telegram to the BEE. |-Wheat started out strong and advanced a trifle, but afterward became weak under large offerings, later stiffened on the receipt of stronger advices from England. coupled with reports of liberal exports from the seaboard. In the latter part of the session there was a bear raid and prices were sent down to the lowest figures of the day, showing a shrinkage of harden on those current at the close yesterday. The range was narrow, but the changes were frequent, and trading in the aggregate was large. May opened at 79%c, and sales were at and between 79% alSoc, closing at 79%c. June sold at 8134c, down to 8034c, and closed at 8134c. July closed at 82%c. September sold at 85c and 84%c. December sold at 88% @88%c February closed at 73%c, March at 73%c, and April at 74%c. Corn was quiet and on the whole dull, with fluctuations confined to %c whole dull, with fluctuations commed to 3cc range. The shorts were the principal buyers, but a fair business was transacted in the way of changing from May to June and July. May opened at 39%c and sold at 39% @39%c up to 89%c, and closed at 39%c, a 3gc decline from yesterday. Pork advanced to \$13.85, fell back to \$13.75%, and then advanced to \$13.00. Long before noon it became noised about that Armour and Cudahy were surely under it and pork prices began climbing rapidly up-It and pork prices began climbing rapidly up-ward until an advance of substantially 20.62. 25c had been made. A quiet spell followed because the shorts did not seem so anxious to rush in as earlier in the day, and about 10c of the advance was lost. But before noon the bulge began with redoubled energy, and by 12:15 pork was selling excitedly at \$14.55, nearly 85c per barriel higher than the low point yesterday. It can only be said in a general way that everybody was buying or at least wanted to buy. It was a market on which sellers hung back and permitted the buyers to bid the market up, now and then giving them a little stuff to keep up the in-It and pork prices began climbing rapidly up giving them a little stuff to keep up the in-terest. Toward the close prices began react-ing a little, the great bulk of the short interest likely to come out to-day being apparently During this last reaction May got 2:30 p. m.—On the afternoon board wheat

was beavy and broke \$4c under heavy liqui-dating by longs. Corn dropped \$4c. Provi-sions were unsettled but closed strong at out side figures and 123c higher on mess pork. Wheat for Magch sold at 73@734c, April at 735@734c, May at 785@794c, June at 893@ 803c, July at 82@824c, September at 833c@ 803(c, July at 82@824c, September at 833@6 \$44c, closing at about the outside. Corn for May sold at 303cc, down to 394c, March at 34@344c. April at 343c. Oats for March sold at 24%@244c, April at 24%c. May at 28% @28%c, closing at 28%@284c. June sold at 29c. CHICAGO LIVE STOCK.

CHICAGO, Feb. 15 .- Special Telegram to the BEE.]-CATTLE-The supply was considerably lighter than was expected, and for this reason there was a check in yesterday's downward decline. Handy light and medium weight cattle were in strong demand and, if any different, sold stronger than on yesterday. Prices, however, were not quotably better, and rough, thin and heavy cattle were generally very slow sale. Shipping steers, 1350 to 1500 lbs., \$4.60@5.05; 1200 to 1350 lbs., \$4.20@4.69; 950 to 1200 lbs., \$3.50@4.15. STOCKS - The opening of stocks was tame and rather heavy. There was some slight advances in the first few minutes, but later prices yielded small fractions under the efforts of the bears. Some slight improvement was made after that time on an extremely dull market, which was soon neutralized by an attack upon Union Pacific. A better feeling was noticed in the last hour, however, and the market closed steady to firm, close to the opening figures.
